

BeeOne

BeeOne

BeeOne is a Swiss Telecommunications Company:

- specialized in prepaid telecommunications services
- created in Oct. 2000
- Shareholder Capital of 300'000 Sfr (200k€)

BeeOne staff includes European telecommunication industry experts since 1997.

In 2006, achieved two major milestones :

- BeeOne is No 1 calling cards provider in the major swiss distribution channels
- BeeOne exceeds 10 Mio € Revenue & 100 Mio Minutes per Year

In 2010, BeeOne became with its own mobile brand “MUCHO”, the first Mobile Virtual Network Operator dedicated to international telephony partnering with Swisscom. BeeOne now counts 20 employees and expands its product portfolio from calling cards and MVNO to its own mobile network range of SIM and APP based services.
